

## **The Public is invited!**

**Wednesday, March 22, 2023**  
5:00 PM to 7:00 PM

The City of Belgrade would like to invite the public to attend an information session about two proposed sidewalk improvement projects. The proposals include the construction of new sidewalks and ADA ramps along Helen Drive and North Hoffman Street, from Spooner Road to the Belgrade High School, and along East Madison Avenue from South Broadway to Oregon Street. Both projects would improve pedestrian safety and neighborhood connectivity. The information session will be held at the Belgrade City Council Chambers, located at 91 E Central Avenue, on March 22, 2023, from 5:00-7:00 PM. The project team will present a brief overview of the proposed improvements and answer questions. For those unable to attend, information about the proposed projects will also be available at <https://beheardbelgrade.com>.

Attendance is in-person only.
